Researching and locating new apps can be an overwhelming task. The Tools for Life AppFinder database helps make your app search much easier.

- ▶ Search for apps by disability or multiple disabilities, price ranges and device types.
- ▶ See reviews and comments from apps users across the country to help you make informed decisions before purchasing and using an app.
- ▶ Get links to other app databases that were designed for specific disabilities.
- ▶ Every Tools for Life AppFinder app has been used and/or tested by one or more members of the Tools for Life team along with many of our peers from across the country.
