Rewordify.com

“Rewordify is a free website that makes English easier to read. In some ways it is similar to a thesaurus, but allows users to enter not just single words, but entire sentences, pages, and even websites, for clarification. Passages are preferred, as difficult words are 'rewordified' using the context of the sentence. For example, paste in "The tempest raged outside while the throng huddled inside.", and it is 'rewordified' into, "the storm raged outside while the crowd huddled inside.”

Students can use this tool to make passages more understandable. Simplified words are highlighted for quick comparison with the original word(s).”

The screenshot shows the Rewordify.com website. At the top, there's a navigation bar with links like 'Zimbra: Inbox (3825)', 'enable.uk.net', 'FCTD | Rewordify', and 'Rewordify.com | Understand...'. Below this is a search bar. The main content area has a heading 'Read smarter now.' followed by a paragraph explaining the tool's purpose: 'Rewordify.com simplifies difficult English, and teaches you words quickly and effectively.' It includes a table comparing 'From frustration...' with '...to understanding' using the example sentence 'Hearken! Anon thou shalt read tomes with more rapidity!' vs 'Listen! Soon you will read huge books with more speed!'. Below this, it says 'You can also enter a website URL in the yellow box, and you'll see a simplified version of that web page. Get started fast—do the demo or watch the site overview video and be a Rewordify.com expert in less than ten minutes.' Another section 'Read better tomorrow.' includes a table for 'Click, Hear, & Learn' vs 'Learning Sessions' and a 'Top Settings' button.

Read smarter now.

Rewordify.com simplifies difficult English, and teaches you words quickly and effectively. See the big yellow box near the top? That's where the learning starts. Paste in difficult sentences, paragraphs, or whole chapters full of hard words. Click *Rewordify text* and you'll instantly see an easier version, for fast understanding. The reworded words are highlighted—click them to hear and learn the original harder word.

From frustration...	...to understanding

You can also enter a website URL in the yellow box, and you'll see a simplified version of that web page. Get started fast—[do the demo](#) or watch the [site overview video](#) and be a Rewordify.com expert in less than ten minutes.
