### *Numbers and Letters, Stand Still!*

#### Up and Over

Up and Over  
And in-between,  
The Letters,  
Words,  
Paragraphs  
Wash Over Me.  
Like a thunderstorm  
In Georgia on a summer afternoon Full  
of Sound  
and  
Fury  
I am drenched  
and overwhelmed  
I search the puddles  
(now muddy)  
I sift and sort  
and wash clean the concepts.  
I then send these thoughts  
to You.  
I struggle to be understood  
by you  
Do you understand?  
I am now Clear as Mud.

—Carolyn Phillips

# Critical Conversations: Questions to Consider

- How did You see yourself?
  - Strengths
  - Areas of weakness
- Talk with me about your disability.
- Where are You Headed?
  - Got a Map?
- What do You Consider to be Successful?
- What is Your Vision for Your Future?
- What is Our Collective Vision for the Future?
- Who is in/needs to be in Your Circle of Support?

# Consider this -

- My Success relies on
  - Knowing Myself
    - Self-Exploration
      - Who Am I?
    - Learning Style
      - What is My Learning Style?
    - Honestly Exploring –
      - What do I want to Do When I Grow Up?
      - What Assistive Technology do I need to accomplish my Goals?

# Consider this -

- My Success relied on
  - Communication about My disAbilities
    - Understanding My disAbility
      - Language is Powerful
      - Talking with Housemates, Partners, Professors and Employers about my specific disAbilities
      - Listening
    - Understanding My Weaknesses
    - Understanding My Strengths

# Consider this -

- My Success relies on
  - Failing
  - Dignity of Failure
    - I learned More from My “Failures” sometimes than my “successes”
    - Give yourself room to fail – and Grow from the experience
    - Learn to Laugh... a lot!
    - Be Optimistic...
    - Evaluate & Evolve!

# Consider this -

- My Success relied on
  - Assistive Technology!!
    - Try before you buy – Explore!
    - Training
    - Think across environments –
      - Laptop – Still Need!
      - iPhone – I used 13 apps yesterday and today!
      - iPad – use everyday
    - Organization – Learn Your Style
      - Efficiency brings peace
    - Evaluations – Hot Button
      - Working from No/Old/Incorrect info
      - Don't trust everything you read & hear
    - Advocate for an AT Evaluation/Assessment

# Consider this -

- Carolyn's Success relies on:
  - Developing a Vision for My Future
    - Created a "Map" and "Vision Board"
      - Personal Goals
        - Strong Relationship with my Family
        - Build a Habitat House (12)
        - Climb the Great Wall of China (2004)
        - Adopt a Child (2! Tucker and Meera)
      - Educational Goals
        - BA from UGA (Took 10 years...)
        - Masters Degree (2005 – M. Ed. UK!)
      - Career Goals
        - Help people through technology (Director of Tools for Life & Pass It On Center @ Georgia Tech)

# Consider this -

- Jamie's Success relies on:
  - Developing a Vision for My Future
    - Created a "Map" and "Vision Board"
      - Personal Goals
        - Strong Relationship with my Family
        - Contribute to my community
          - Senior "get togethers"
          - Food drive
          - Animal shelter fundraisers
      - Career Goals
        - Help people through technology
        - Board of Directors – RESNA
        - Own my own consulting business

# Consider this -

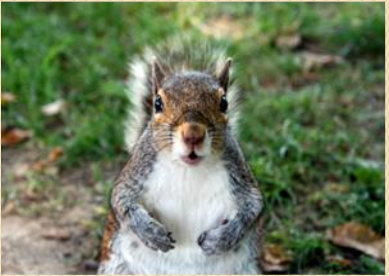

- My Success relies on
  - Building win-win-win relationships
    - Establishing a solid circle of support
      - Receiving and providing support
    - Diversify your Circle of Friends and Acquaintances
    - It sometimes is “Who you know”
    - BALANCE – Family (Family of choice) and Work and Life

# Consider this -

- My Success relies on
  - Actively Participating in all aspects of my Life Journey
    - AT helps make this possible!
    - Discovery Process
    - Create a Map
    - Plan for Progress!

How do we get things done?

# Our Personal Challenges and Solutions

*Assistive technology solutions  
and other strategies*

# Jamie's Challenges & Solutions: Personally

- Challenge: Grocery Shopping
