Welcome to Tools for Life

Tools for Life, Georgia’s Assistive Technology Act Program, is dedicated to increasing access to and acquisition of assistive technology (AT) devices and services for all ages and disabilities so they can live, learn, work and play independently and enjoy greater freedom in communities of their choice.

Tools for Life and the TFL Network work collaboratively together to accomplish our mission through:

- AT Demonstration
- AT Evaluations and Assessments
- AT Funding Options & Education
- Access to the TFL AT Lending Libraries
- AT & Durable Medical Equipment (DME) Reuse
- AT Training (Individual)
- AT Training (Groups)

Please take our survey to help us gather information that will help better serve the community. The survey can be found at:

Making Visuals Easy with LessonPix

Bill Binko
Bill Binko, COO and LessonPix Co-Founder

After over 20 years leading software development efforts for Fortune 500 companies and multinationals like Liberty Mutual and AT&T, Bill has turned his attention to something much more valuable and rewarding with the founding of LessonPix and is thrilled with how it has helped so many teachers and SLPs improve the lives of their students. He is best known for his ability to explain complex technical subjects to his clients (whether CEOs or SLPs) and now acts as LessonPix chief trainer.

Bill will be providing a detailed training on the features and benefits of the LessonPix system, including searching by sounds, adding your own symbols, and using the powerful materials wizards.
