

# DemonstrATion Tuesday: Video Magnification

Danny Housley, Tools for Life  
Adam Palmer, Palmer Vision

# Welcome

We are recording this webinar and it will be archived and posted on the Tools for Life website under webinar archives.

Today's webinar has been approved for 1.0 CRC clock hours from the Commission on Rehabilitation Counselor Certification (CRCC). If you need CRC's, please email [training@gatfl.gatech.edu](mailto:training@gatfl.gatech.edu) with the webinar title and date.

To ask questions or to include comments during today's webinar, please type in the chat area.

# Today's Agenda

- 2:00 PM Welcome and Introductions
- 2:05 PM Information on Video Magnification
- 2:10 PM Device Demonstration 1
- 2:20 PM Audience Feedback/Questions
- 2:25 PM Device Demonstration 2
- 2:35 PM Audience Feedback/Questions
- 2:40 PM Demonstration on Built in options
- 2:50 PM Audience Feedback/Questions
- 2:55 PM Funding Resources and Wrap Up
- 3:00 PM Adjourn

# Learning Objectives:

1. At the end of this session, participants will be able to compare 3 benefits and uses of a wearable versus a tabletop video magnifier.
2. At the end of the session, participants will be able to identify 2 magnification and focus features on two devices.
3. At the end of the session, participants will be able to identify 2 resources to acquiring demonstrated devices.

Tools for Life, Georgia's Assistive Technology Act Program, is dedicated to increasing access to and acquisition of assistive technology (AT) devices and services for Georgians of all ages and disabilities so they can live, learn, work and play independently and with greater freedom in communities of their choice.

At Palmer Vision our mission is to provide the visually impaired community with a professional, ethical, and informative experience through the use of assistive technology sales and services.

# Video Magnification

**Device 1**  
**Zoom Max Snow 12**

# Device 2

## Da Vinci Pro 24 with OCR

**Device 3**  
**Zoom Max M5**
